PHYTOMER

Spa Émeraude

Welcome to PHYTOMER Spa Émeraude.

In 2015, PHYTOMER, known for its natural skincare made in Brittany, created PHYTOMER Spa & Wellness to share its vision of beauty and well-being. This vision is now elegantly expressed in three unique spas:

In Saint-Malo, the brand's birthplace, at PHYTOMER Spa Émeraude: A rejuvenating place in a peaceful garden, near the most beautiful beaches.

In Paris's 8th arrondissement, at PHYTOMER Spa Étoile: A sophisticated establishment inviting relaxation, just steps from the iconic Champs-Élysées.

In Paris's 16th arrondissement, at PHYTOMER Spa Trocadéro: A spa celebrating nature and well-being, at the foot of the Eiffel Tower, in the Passy district.

Our team is here to offer you a personalized treatment program that prioritizes relaxation.

And now, let's take care of you...

Phytomer Spa Émeraude is accredited with Spa-A and Spas de France, two certifications that highlight the excellence of our establishment.

Customized Treatments

At PHYTOMER Spa Émeraude, we take care of your skin with PHYTOMER products, manufactured in our laboratories in Brittany, with respect for the environment, using the most effective natural ingredients. We combine these with professional massage techniques and a multitude of thoughtful touches to ensure your well-being.

On our menu, we also offer three other brands, which are part of the PHYTOMER family: Vie Collection, a high-performance anti-aging line inspired by aesthetic medicine, Fleur's, a sensory treasure that uses flowers to celebrate women's beauty at every stage of their lives and Phytocéane, a collection of natural treatments that invite relaxation and escape.
